

Kilmarnock FC Academy

Players Code of Conduct

Players are reminded that they represent Kilmarnock Football Club and should behave in an appropriate manner at ALL times. Swearing, fighting, bullying and bad behaviour of any kind will not be tolerated at any time.

Players are required to wear all club apparel unless otherwise instructed. All match kit will be provided. This must be returned immediately after the game to be washed. Please follow coaches' instructions.

Players are responsible for their own equipment for both training and games - including clean boots, shin guards, drinks and refuelling snacks. Jewellery must not be worn for training or matches, both for personal safety and that of other players.

All Academy players are expected to keep themselves fit at all times through a sensible nourishing diet, appropriate rest and exercise. Players should arrive 60 minutes prior to kick off time for home games. Players will follow all coaches' instructions for away matches.

Players should under no circumstances, argue or dispute decisions given by match officials at any time.

All Academy Players must make a commitment to adhere strictly to their programme at school as this is of paramount importance. No alternative team colours should be worn within our Academy.
